Project ID: LO/CI 15-002 Theodore River #2 and Chedatna Lakes #1 Natural Gas Exploration Program

Location: Theodore River #2: Seward Meridian, Township 14N, Range 9W, Section 22 ADL: 391618
Chedatna Lakes #1: Seward Meridian, Township 15N, Range 9W, Section 36 ADL: 391878

Project Description:

Aurora proposes to use the existing Beluga highway to access the Theodore River #2 site and construct a temporary pad out of matted and/or gravel materials immediately adjacent to the highway with no access road. The Chedatna Lakes #1 site will require an approximate 1 mile matted snow trail for site access. Each pad will be approximately 250' x 270' and existing pads in the area will be used for staging to help minimize the pad Theodore and Chedtna pads. Pad construction activities will include clearing trees and brush, placement of geotextile liner and rig mats and placing gravel where existing soil conditions would not support the drilling activities Additional program details are outlined in the Plan of Operations.

The application package is available for review at the Division of Oil and Gas, 550 West 7th Avenue, Suite 1100, Anchorage, Alaska 99501 or online at
